Modular coated soft seating

**The original and timeless
Cooloo coated, soft seating
design lounge elements.**

This modular system of waterproof coated soft foam is available in the Cooloo Circular Coatings from recycled leather, cork, jeans and metal.

Ecological in coating

Ocean
by Cooloo

Ocean can be finished with our CoolLeather, CoolCork or CoolJeans coating. Three award-winning examples of finishings that integrate waste from the local leather, cork and textile recycling industries.

The highest quality materials are used that are solvent and CFC free to reduce our ecological footprint.

In our quest for longevity and sustainability, Cooloo offers re-finishing of your Emotion product after its' first life cycle of 7 to 10 years. Instead of throwing it out, re-coat your products to give them that brand-new look and feel for an Endless Life.
