Kullar

by Cooloo

Simply friendly furniture

In this complex world, we like to keep things simple by staying true to her founding principle: friendliness.

This collection is designed by KULLAR, who firmly believes friendliness to be at the centre of the need for a more symbiotic co-living way of life with the planet. Combining intelligent (re)production processes and the Endless Life concept, with the highest quality and thoughtful design, resulting in wasteless future.

Ecological in coating

Kullar
by Cooloo

A simple CNC-created frame with the comfortable option of soft seating. With circular coatings from recycled waste streams like cork, leather and jeans developed by Cooloo.

- **Concept:**

Simple, multifunctional products.

- **Execution:**

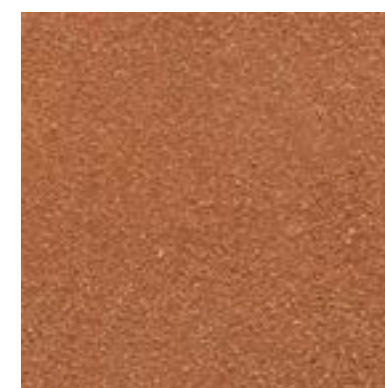

Natural, recycled raw materials.

- **Repairability:**

Program possible with purchase/lease.

- **End of life:**

Recyclable.
